CHICAGO, October which this present one can be compared. In all future time the great Chicago fire, when mentioned, will bring to the heart of the first time. In all future time the great Chicago fire, when mentioned, will bring to the heart of its participants a pang of anguish, to future generations a reminder of everything that is frightful and humble. While there are a great many instances of generous devotion on the part of the rich and poor in dividing with the destitute, these are painful instances of unessiness and selfishness; one was trying to rescue some valuable papers from an office, and asked the firemen to assist him, which that there is nothing remaining of that side from the river north to Lincoln Park a swift gale had possession, and the beautenthe north, and from the north branch of the river west to the Lake, on the east.

This portion of the city, except along the Monroe and Madison were soon reached, the famous emancipation proclamation of President Lincoln, for which there are painful instances of unestiness fore them. Harrison, Van Buren, Adams, the society paid \$25,000, were destroyed. It is feared that large numbers of children to the city, except along the devotion on the part of the rich copy of the famous emancipation proclamation of President Lincoln, for which these are painful instances of unestiness; one was trying to rescue some valuable papers from an office, and selfishness; one was trying to rescue some valuable papers from an office, and selfishness; one was trying to rescue some valuable papers from an office, and selfishness one was trying to rescue in river where there was busines blocks, and intervening blocks from the river to dren, inmates of the Catholic Orphan asked the firemen to assist him, which shot, and two others led off with ropes they refused to do unless he paid them \$50. The papers were destroyed. Drivers

> from which they were too helpless to es-cape. One poor man had crawled for refuge into a water main lying in the street near the Water Works, but the fire he could get his body wholly in safety, robbed him of his life. The Herald reporter furnishes the following: Women and children are going around the burnt district value seeking something to satisfy their hunger. They ask for relief, but there is none to give them. No one has provisions or money What provisions there were in the city are now burned or eaten, and some few people have enough to last them for a day, not longer. Provisions have arrived from

ness and work is suspended, and every

ness and work is suspended, and every one is intent on securing, first, something to eat, and next, shelter.

The suffering on the North Side is heartrending; men, women, and children, fitty thousand of them, huddled together like so many wild animals; and in another place are 17,000 Germans and later the security of the later and the security of the sec the pains of child-birth and patients who have been moved from beds of sickness only to to save lives that at best were to day. Several deaths have occurred in Lincoln Park, and three women have brought children into the world only to another and another. Each train an bliged to leave five times as many as hey take. Every precaution is being nade to guard the people to-night,

ting liberally, and the expression of sym-pathy on all hands is most gratifying, but Ip must come.

Only cooked food should be sent at present, bread, crackers, meat, &c.
All the committees and sub-committees have been hard at work to-day, in the in-terest of Chicago, and an additional large sum of money has been raised, and great quantities of provisions and bedding have een collected. Every train on the Chicago & Alton, and Vandalia roads, has left here since yesterday evening, has taken from ten to twelve cars laden with tood and clothing, for the hungry and homeless. Scores of societies and or-ganizations of different kinds, have emptied their treasuries for the good cause, and the interest in the work shows no diminution. A large number of ladies held a meeting to-day, organized a committee and have gone energetically to work to canvass the city for clothing, bedding and provisions, while others are operating scores of sewing machines and making garments for the destitute women and children. Material is to be solicited from the merchants and others and the machines kept at work as long as any necessity requires. Four large boxes of clothing was made this afternoon and forwarded to-night in charge of a Com-mittee of Ladies, who will personally atthe tend to its distribution. Among the needy this Committee will also co-operate with the St. Louis Male Committee now in Chicago and remain there and receive and distribute all articles shipped to them by the ladies here. A large quantity of government rations and other supplies went forward to-day.
